INTEGRATED & SMART LED SOLAR STREET LIGHT

Company Introduction

- High-quality
- Sincerity
- Reputation

SCOPE OF BUSINESS

- Middle east
- Africa
- South Asia
- UK
- Australia

Our Goal

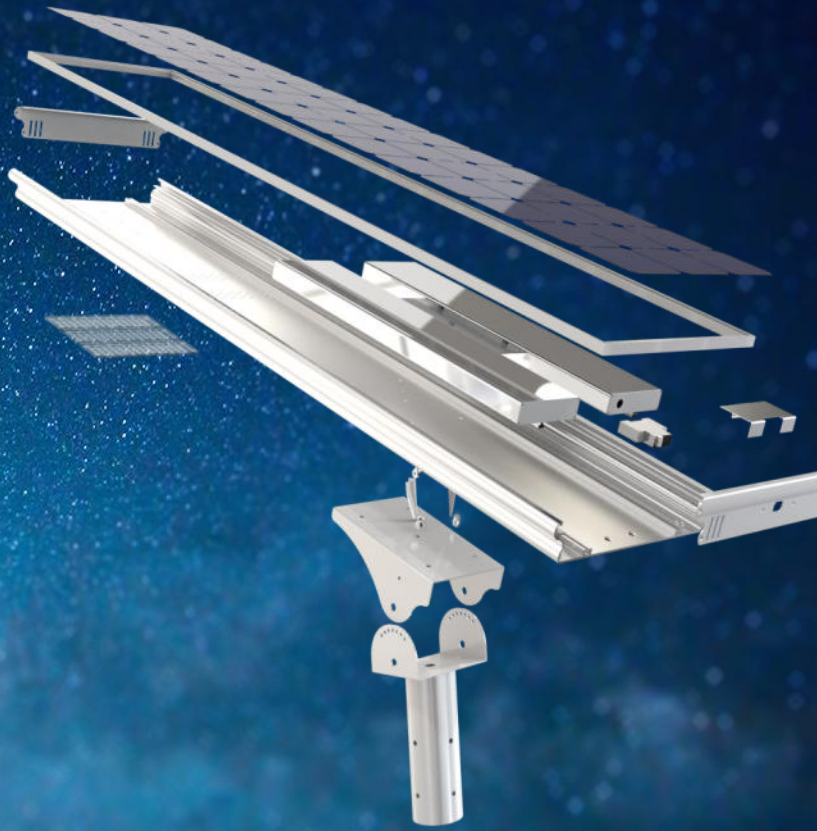
- Creating value for customers
- Creating future for staff
- Creating green environment for society!

Our Principle

- ◆Realistic and innovative
- ◆Openness basing on sincerity !

PRODUCT INTRODUCTION

- Solar panels
- Integrated battery
- Motion sensor
- LED Controller

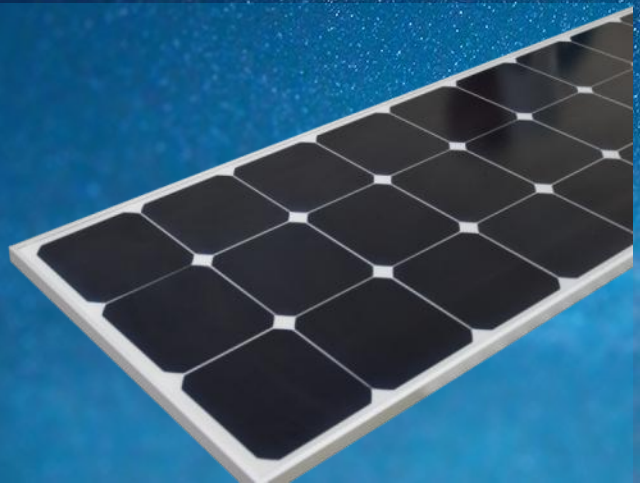


PRODUCT INTRODUCTION

- Aluminum Alloy
- Private Mold elegant design

PRODUCT INTRODUCTION

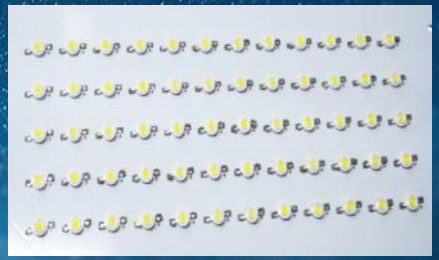
- Brand : SunPower from America
- Type : Mono Crystalline
- High efficiency : 22-24%
- 15years warranty



PRODUCT INTRODUCTION

PHILIPS CREE BRIDGELUX

Brightness Bridgelux Chip, 150lm/w
PMMA Lens, Transmittance rate is 94%.



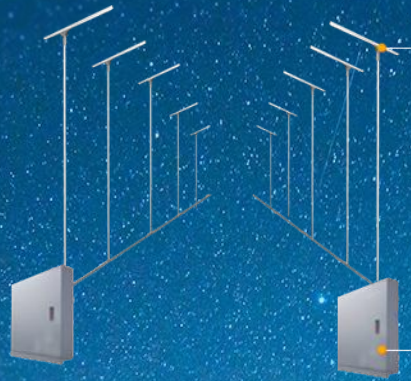
PRODUCT INTRODUCTION-controlling system

Sleeping mode　　Sensoring

- PIR Sensor
- Auto-adjust Brightness

PRODUCT INTRODUCTION-controlling system

I-Clouds



MPPT &Zigbee

DTU

PRODUCT INTRODUCTION

MPPT Controller:

- 99% converting efficiency
- smart control

PRODUCT INTRODUCTION

- LiFePo4 Battery:2000+ cycle life
- anti- 70℃ high temperature
- 8 years life guarantee

SOFTWARE OR SYSTEM CONTROL

- Intelligent control
- Real time remote monitoring and management
- Email , SMS message , intelligent Early-warning
- Locate the failure lamp accurately
- Easy installation and continence
- Intellectualized operation
- Electronic map

ADVANTAGE

20-100W

Green

> 10Years

Solar Energy

ISSL APPLICATIONS

- Parking lot lighting.
- Gate / entrance lighting.
- Perimeter security lighting.
- Pathway lighting.
- County yard / Garden lighting.
- City greenway lighting.
- New rural construction lighting.
- Mountainous area lighting.
